Branch Team

Kelly Goff
Sr. Branch Office Administrator

At Edward Jones, every strategy and every solution we recommend is based on what's most important to you. Once we understand your priorities, we can help you identify specific financial goals and develop strategies to help you work toward achieving them.

In 2017, I began my career at Edward Jones as a financial advisor in Monroe. I have been an Edward Jones client and active investor since the mid-1990s. I serve clients throughout the Puget Sound and across the country. The clients I work with are serious investors, and it is my job to create investment strategies to help them meet their financial goals.

I worked for The Home Depot for almost 25 years holding various leadership positions from store level to the corporate headquarters. I held numerous operations and finance positions toward the latter half of my career.

I am a native of San Diego, CA, and my wife, Mandy, is a fourth-generation of Monroe, WA, and the Snohomish County Region. We enjoy the outdoors and attending local festivities with our three children. We are avid runners and participate in as many 5ks as possible throughout the year, where proceeds go to charity.

I belong to the Kiwanis, the chamber of commerce, and volunteer with the Boys and Girls Club.

My shared branch office administrator, Kelly Goff, and I are dedicated in providing you with the highest level of service possible. At Edward Jones, we're focused on you. The firm has thousands of home office employees and advanced technology supporting our branch so that we can help you reach your long-term financial goals.

Relationships are key, and in our view, meeting face to face builds strong relationships. We meet when it's convenient for our clients because we recognize the challenging needs of their business and their lives.

Thank you for allowing me to introduce myself. I look forward to assisting you with all of your investment needs.
